The topographical sketch of the area in question is submitted herewith. Enquiry shows that the assertions made in the petition cited in the Bd's reference are true. But what exactly the petitioners pray for cannot be made out from the extract of the petition communicated to me. Information is also wanting in the extract as to who the signatories or principal signatories to the petition are. If therefore, any further report is necessary I request that the above information may be furnished to me to enable me to take further action in the matter.
